2nd Grade

***Go to <https://launchpad.classlink.com/dcsga> to log into the Portal.**
The students know their usernames and passwords.

Reading assignment: Read your library book, book from home, or a book on MyOn. To get to MyOn click on Renaissance from the Portal, and then click on MyOn. After reading the book twice (unless it's a chapter book), go to Renaissance and click on Accelerated Reader to take an AR test.

ELA assignment: Click on Classlink from the Portal. Click on "Begin an Assignment" and then go to Language Arts. Spend at least 30 minutes working on your individualized learning path.

Science assignment: Go to https://www.abcya.com/games/states_of_matter to learn about matter and play a game to sort different types of matter.

Math assignment: Click on Classlink from the Portal. Click on "Begin an Assignment" and then go to Math. Spend at least 30 minutes working on your individualized learning path. If you have an XtraMath account, you should also complete a lesson on XtraMath.
